Dr. Konrad Schmid is Professor of Old Testament and Ancient Judaism at the University of Zurich, Switzerland. Dr. Schmid's main scholarly interest lies in the reconstruction of the literary history of the *Hebrew Bible* and the historical analysis of the *Pentateuch*. Together with some of his colleagues, he has proposed alternative ways to understand the formation of the *Pentateuch* beyond the traditional Documentary Hypothesis. His main publications include *Erzväter und Exodus: Untersuchungen zur doppelten Begründung der Ursprünge Israels in den Geschichtsbüchern des Alten Testaments* (Neukirchen: Neukirchener, 1999), English translation: *Genesis and the Moses Story* (Winona Lake: Eisenbrauns, 2010), and *Literaturgeschichte des Alten Testaments: Eine Einführung* (Darmstadt: Wissenschaftliche Buchgesellschaft, 2008), English translation: *The Old Testament: A Literary History* (Fortress Press, 2012), translations into Japanese (『旧約聖書文学史入門』教文館、2013 年) and Portuguese are also available. In addition, he serves on several editorial boards of international journals and book series.
