Call for Papers
The Journal of Social Science No. 91

The Editorial Board of the Journal of Social Science invites prospective authors to contribute papers to *The Journal of Social Science* No. 91.

> **The Journal is published in digital format.**
> **Up to 30 free paper offprints will be supplied at the author's request**

1) Date of Publication: **<u>March 2024</u>**

2) Forms of Contribution: Article, Research Note, or others (as stipulated by the Editorial Board)

3) Length: (Article) No more than 6,000 words and no less than 4,500 words in English or no more than 20,000 characters and no less than 15,000 characters in Japanese

   (Research note) No more than 3,600 words in English or no more than 12,000 characters in Japanese

   <u>*NOTE*</u>*:* For further details about the style of notes, references and others, please refer to the "Guidelines for

   Contributors" on the SSRI homepage. (http://subsite.icu.ac.jp/ssri/)

4) Qualification: a) Members of SSRI

   b) Research Fellows and Research Institute Assistants of SSRI, current Teaching Assistants who received their M.A. degree from ICU, and graduate students in Ph.D. courses at ICU

   c) General Researchers, Academics, and others whom the Editorial Board considers eligible

   * Manuscripts are, in principle, subject to peer review.

5) Application and deadlines

   The deadline to submit the application form and the manuscript is **August 25, 2023**.

6) Submission

   Please submit the items listed in 5) by e-mail. Manuscripts should be sent in Microsoft Word format as an email attachment. The application form can be submitted in Microsoft Word or Acrobat (PDF). The e-mail submission is addressed to: ssri@icu.ac.jp.

- Copyright of the material included in this publication belongs to each author respectively. If the author publishes the material in other publications, please report its subsequent publication to SSRI and state in that subsequent publication that the material has been first published in this *Journal*.
- It is the responsibility of the authors to submit complete manuscripts following the Journal's guidelines.
- The authors' sole responsibility is to ensure that any image/chart or third-party content has the necessary authorization.
- All articles and summaries published in this *Journal* will be posted on the National Institute of Informatics (http://www.nii.ac.jp/) and the SSRI (http://subsite.icu.ac.jp/ssri/).
